Health & Safety Scotland Exhibition and Conference 12-13 September 2018

To: All Branches

Dear Colleagues,

The Health, Safety and Environment Department has received notification of the above event from the organisers. This will be held at the SEC Centre, Exhibition Way, Glasgow, Scotland, G3 8YW on 12th and 13th September 2018.

Health & Safety Scotland provides a combined health and safety exhibition and educational opportunity through a range of exhibition stands, conference and seminar sessions on a range of health and safety subjects with a range of expert speakers and safety professional speakers. Health & Safety Scotland inform us that the event will feature an excellent speaker line-up.

All sessions are free-to-attend and with all seminars being CPD accredited.

The Health & Safety Scotland exhibition will feature over 300 of the UK's leading manufacturers, suppliers and service providers all under one roof.

Further information on the event can be accessed and registration to attend is via the organiser's website at: [http: www.healthandsafetyevents.co.uk/scotland](http://www.healthandsafetyevents.co.uk/scotland).

The Fire Safety Scotland event is co-located, running alongside this event and that can be visited at the same time in an adjacent hall at the SEC.

Upcoming Events From The Same Organisers:-
