ANIMAL CENSUS FOR UPF/RESCUE BANK DISTRIBUTION DAY

ANIMAL SHELTER/RESCUE CENSUS FOR UPF/RESCUE BANK DISTRIBUTION
THIS FORM MUST BE RETURNED BY THE LAST DAY FOR REGISTRATION

  Please fill out this Animal Population Census Form to the best of your ability to help us determine what will be a fair allotment of pet food for the next Rescue Bank Distribution. Do remember that these numbers will reflect census numbers of only the PAST MONTH OF ANIMALS UNDER YOUR CARE, and IS NOT a YEARLY TOTAL! *Due to the shortage of cat food available for distribution, we ask that if your organization participates in feral cat colony feeding, just indicate that in the SPECIAL REQUEST SECTION below and DO NOT put those numbers in the census.*

The food that is available from Rescue Bank will be sold for Rescue Bank's administration fee of **10 cents** per pound of food/treats. Once we determine the fair allotment, we will send a preliminary Invoice that you can bring with you and use to help determine the size vehicle(s) you will need to pick it up. After all the registrations are received, and we know the number of all the organizations involved, we will assign a time slot for you to come on the day of distribution.

On the day announced for distribution, pick-up up will be at the UPF Resource Center at 11336 Tamarco Drive, Blue Ash, OH 45242. We can accept payment for this food only by **check** made out to UNITED PET FUND or **Credit Card (via Square)** the day of the event. Please fill out this form and send back as an attachment to unitedpetfund@fuse.net. BE SURE THAT we have the email of the person responsible for picking up the resources.
