Benefits of our Furniture Packs

Our from-stock, professionally installed, design-led furniture packages offer the ideal solution for any property professional looking to attract residents to their property.

Created by LOFT's in-house designers, our from stock furniture packages suit a wide range of styles and prices and can be delivered quickly to properties nationwide. They really are the easiest way to fully furnish a property with a cohesive look.

Delivered and installed by our experienced team, these furniture packs will instantly elevate your property. What's more, we can remove and responsibly dispose of your old furniture at the same time.
