Disclaimer: There is currently no central database to record the breeding and performance of horses. The information provided in this programme comes from the Irish Horse Register, Weatherby's data, data supplied by the FEI, Showjumping Ireland, Eventing Ireland and British Eventing. International and some national results were sourced from various bodies by Horse Sport Ireland personnel. Horse Sport Ireland uses every endeavour to ensure that the information it supplies is accurate.

Nevertheless, this cannot be guaranteed, principally when dealing with foreign information which is drawn from a diversity of sources and may therefore be missing or out of date for this reason. Three dam pedigrees have been included where available. These have been edited to highlight proven sport horse bloodlines and to meet space requirements. Performance details are based on the highest level competed at. Star ratings have been assigned in line with the Irish Sport Horse Studbook star ratings system. Lower case black type indicates horses successful at the equivalent of SJ 1.30m/EV CCI2*-L or higher with upper case black type indicates horses successful at the equivalent of SJ CS13* 1.40m/EV CCI4*-S or higher.

While every effort is made to ensure the data is accurate it is provided as a guide only and should not be relied upon to be complete. If you have any additional information about any of the horses listed, please advise Horse Sport Ireland and we will endeavour to verify and include it in the future..

Bronze – HHS VANCOUVER (ISH) 2013 by INDOCTRO (HOLST) out of LA JUANITA (ISH) by DON JUAN DE LA BOUVIERE (SBS) bred and owned by MARION HUGHES. Rider: Mikey Pender

Foreword

Dear Reader,

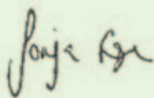

On behalf of Horse Sport Ireland, I wish to welcome you to the prestigious FEI WBFSH Jumping World Breeding Championship for Young Horses 2022. The Lanaken Championships are a significant date in the annual show jumping calendar and a much-anticipated event, showcasing the best in breeding and the future of global show jumping sport.

I wish to commend all who produced and prepared horses in advance of the 2022 selection, and the breeders, producers, riders, and owners of the 19 strong team that will represent Ireland at these championships. These combinations have been selected by Chef d'Equipe, Jack Doyle, based on their consistency and performance in the young horse classes at the RDS Dublin Horse Show 2022, as well as national and international performances throughout the year.

This event also follows a year of significant performance for Irish bred show jumpers, including early-stage qualification of an Irish show jumping team for the 2024 Paris Olympics and an Irish Aga Khan Nations Cup win, each of which included Irish bred team horses. I have no doubt that our team can emulate such success in Lanaken.

The key to this success lies with Irish breeders and their breeding decisions. The strength of dam line performance in the campaigned horses evidently underpin these decisions and the goal of Irish studbooks, to breed athletic horses capable of competing at the highest level.

I would like to thank you for your ongoing support of Irish breeders, horses and the Irish equine industry. I wish our competing athletes the very best of luck in the 2022 Lanaken young horse Championships.

Sonja Egan, PhD
Head of Breeding, Innovation and Development
Horse Sport Ireland

5 Year Old Irish Sport Horses

Greenhall Mullord (ISH)

2017 Bay Gelding
