# Supervisor Getting started guide

### Overall context

Before starting, it's useful to understand the wider context of how the Digital SACT Competency Passport works.

When a nurse moves organisation, they can digitally bring their passport with them freely – but it must be maintained under an authorised organisation

## Getting setup

1 Download the Compassly app

2 Tap "Register", fill in your details and submit

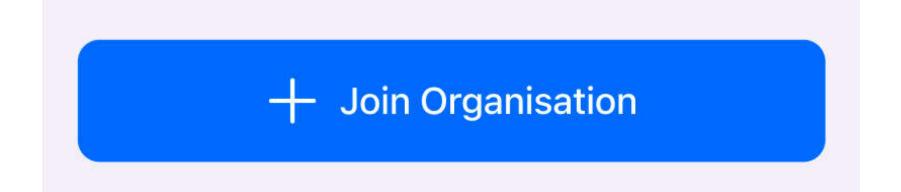

Register

If you are the first "Super Manager" in your organisation

Contact UKONS@compassly.com to get setup on your organisation

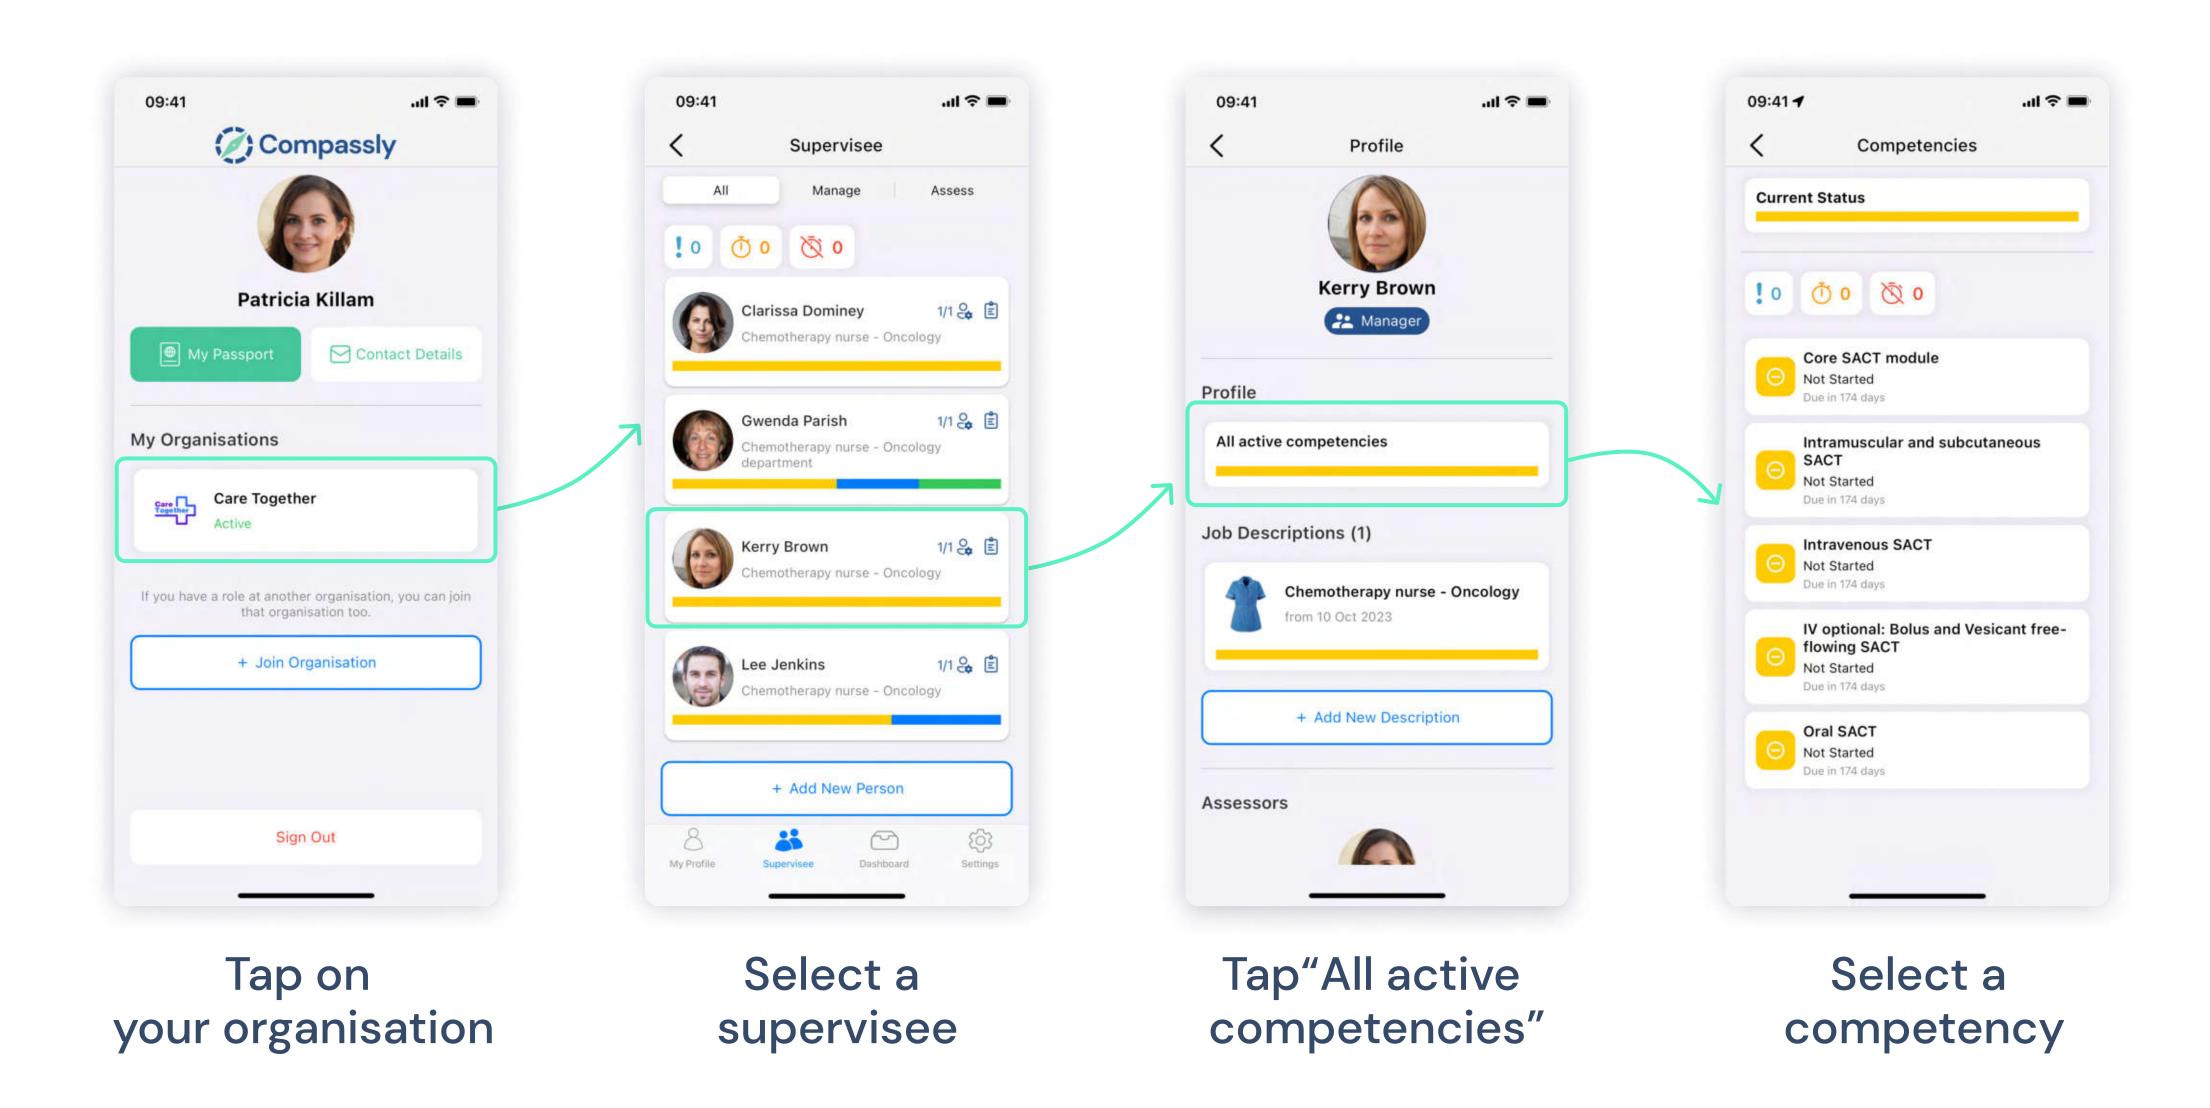

If you already have a supervisor setup in your organisation:

Tap "+ Join Organisation", select your contact details and ask your supervisor to scan your QR code from their app

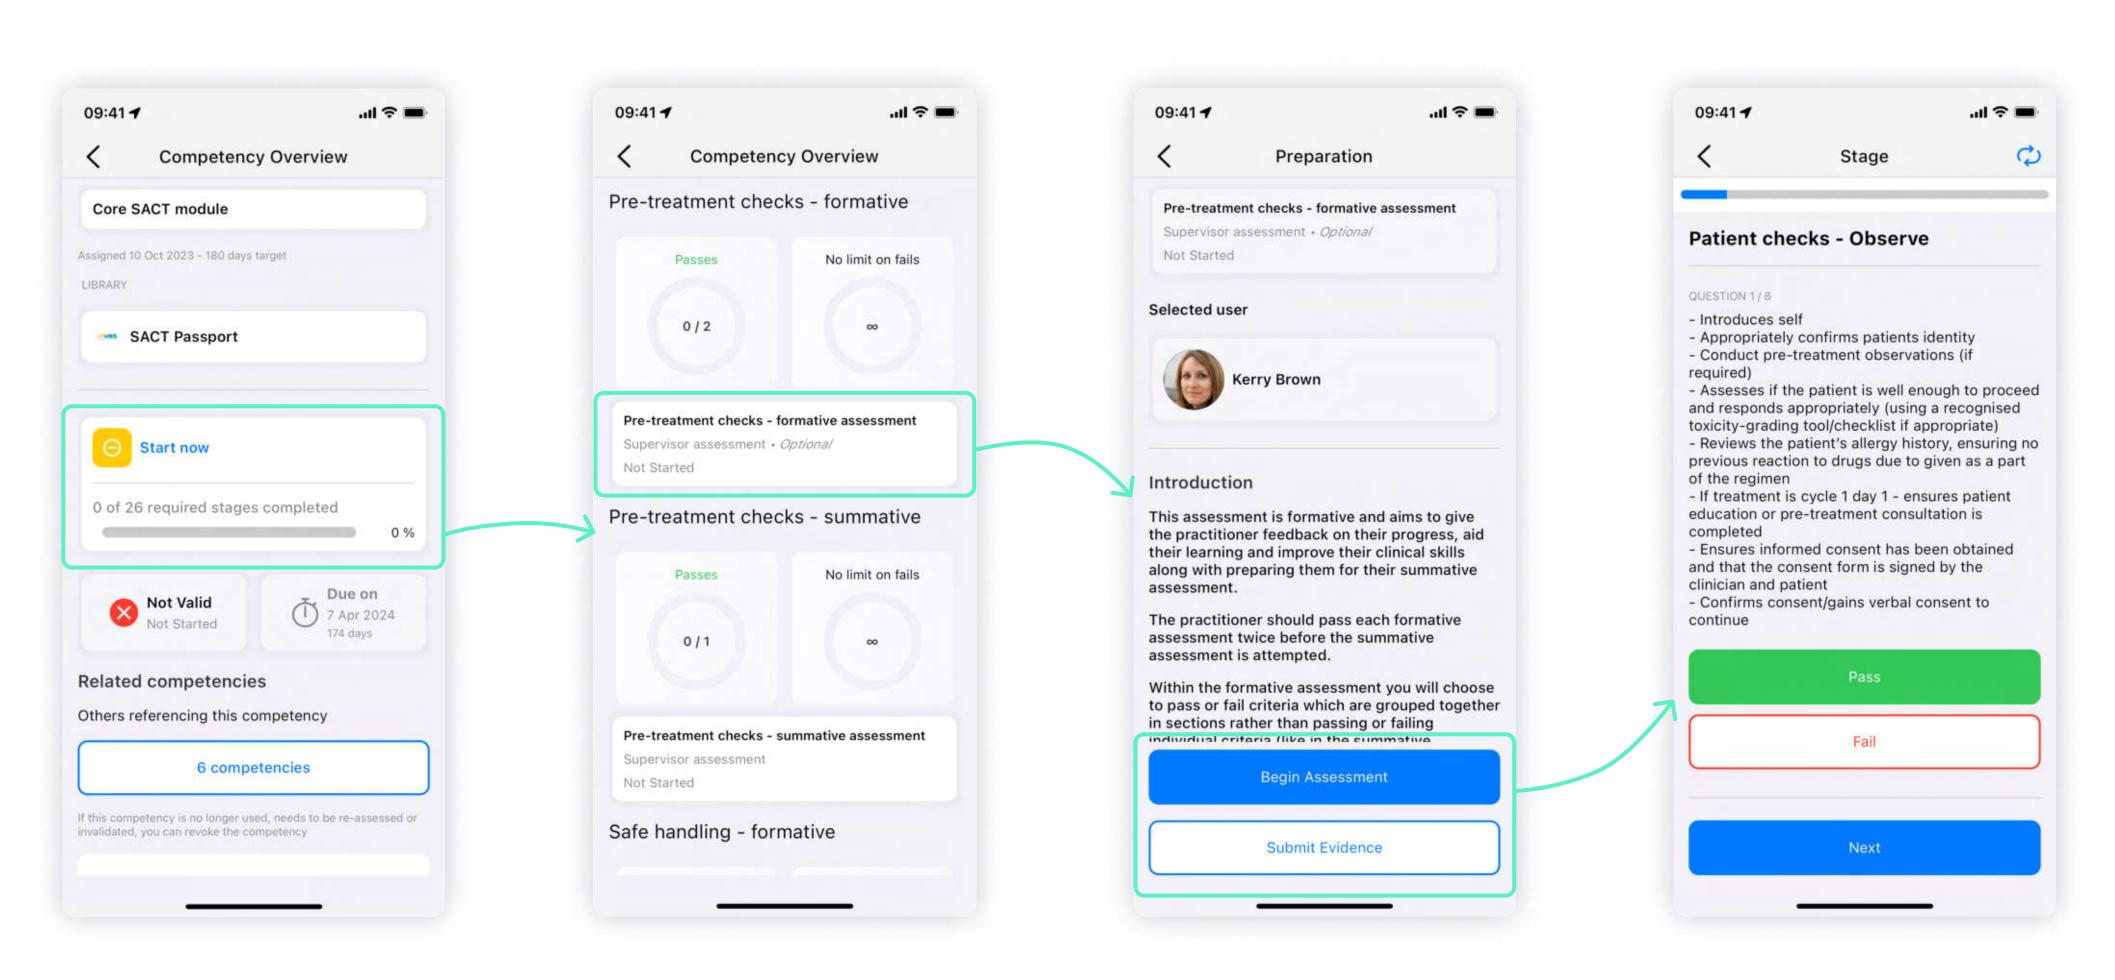

## Overall navigation

### Finding supervisee competencies

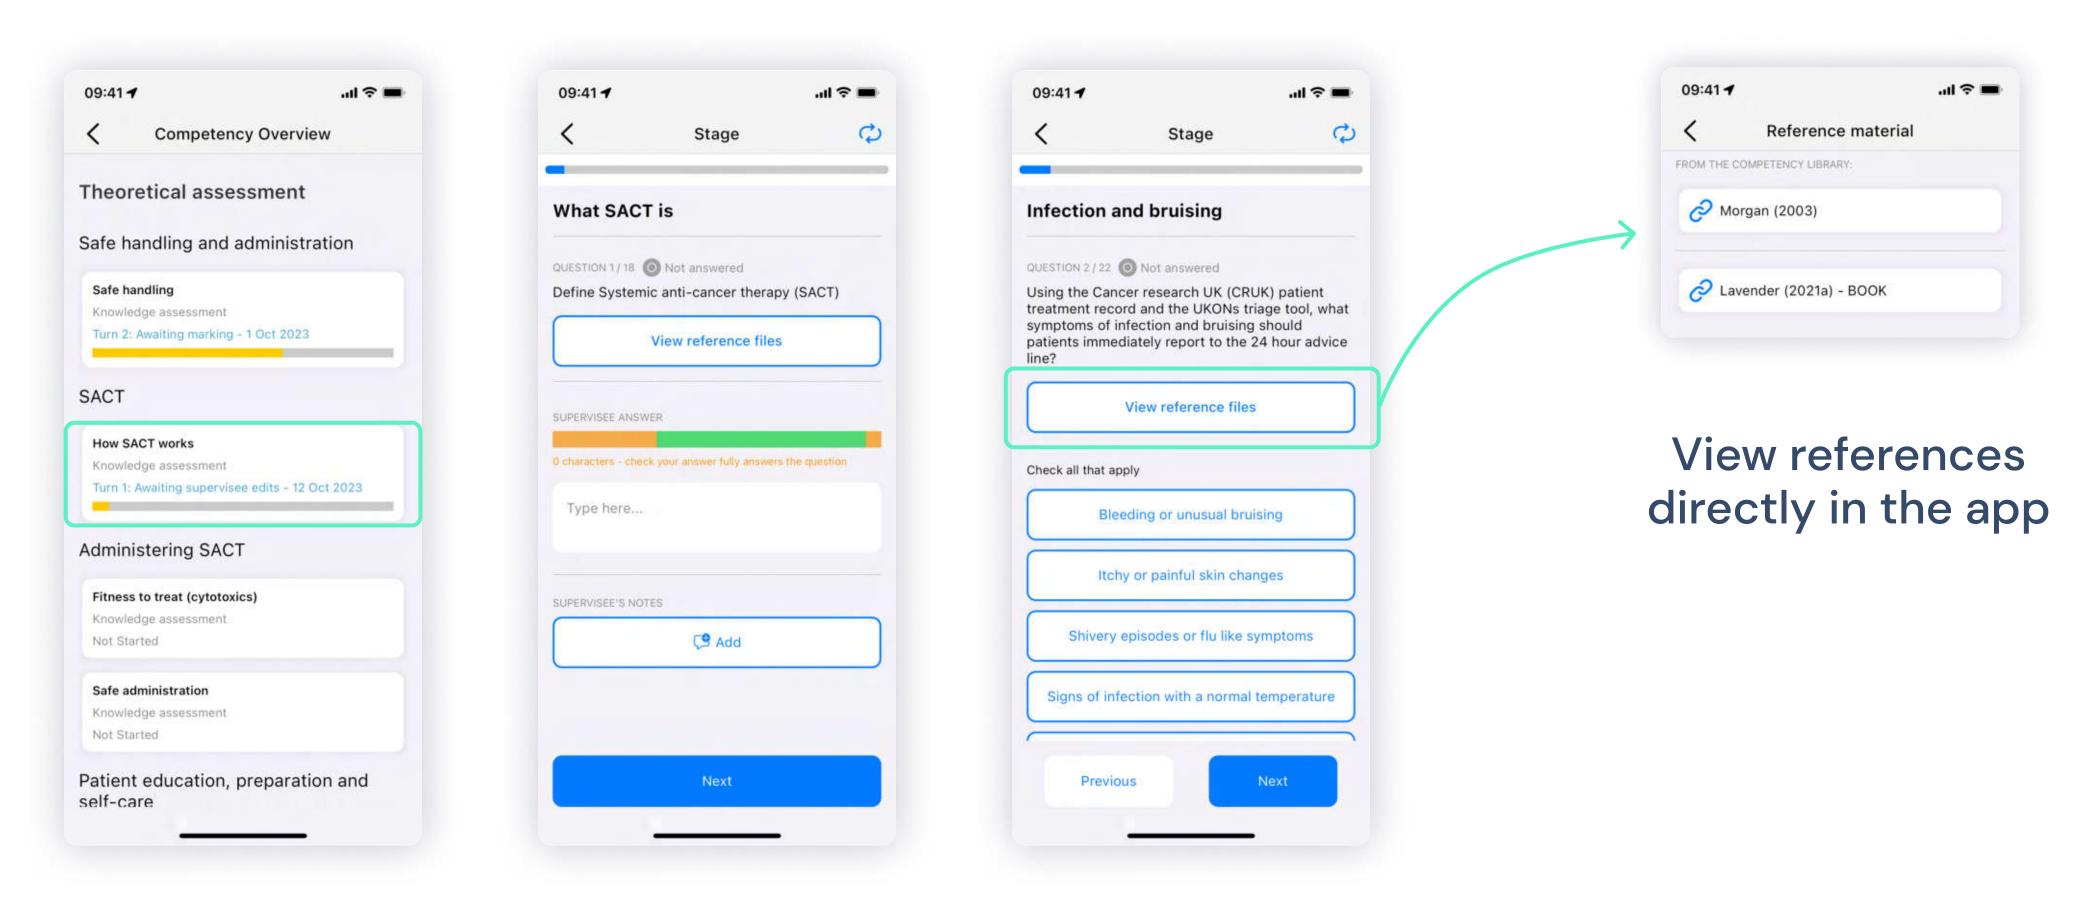

### Completing their competencies

Tap "Start now" Choose a stage Begin Complete

# Completing the theory sections

#### 1. Nurse answers the questions

Select a stage

Questions may be:

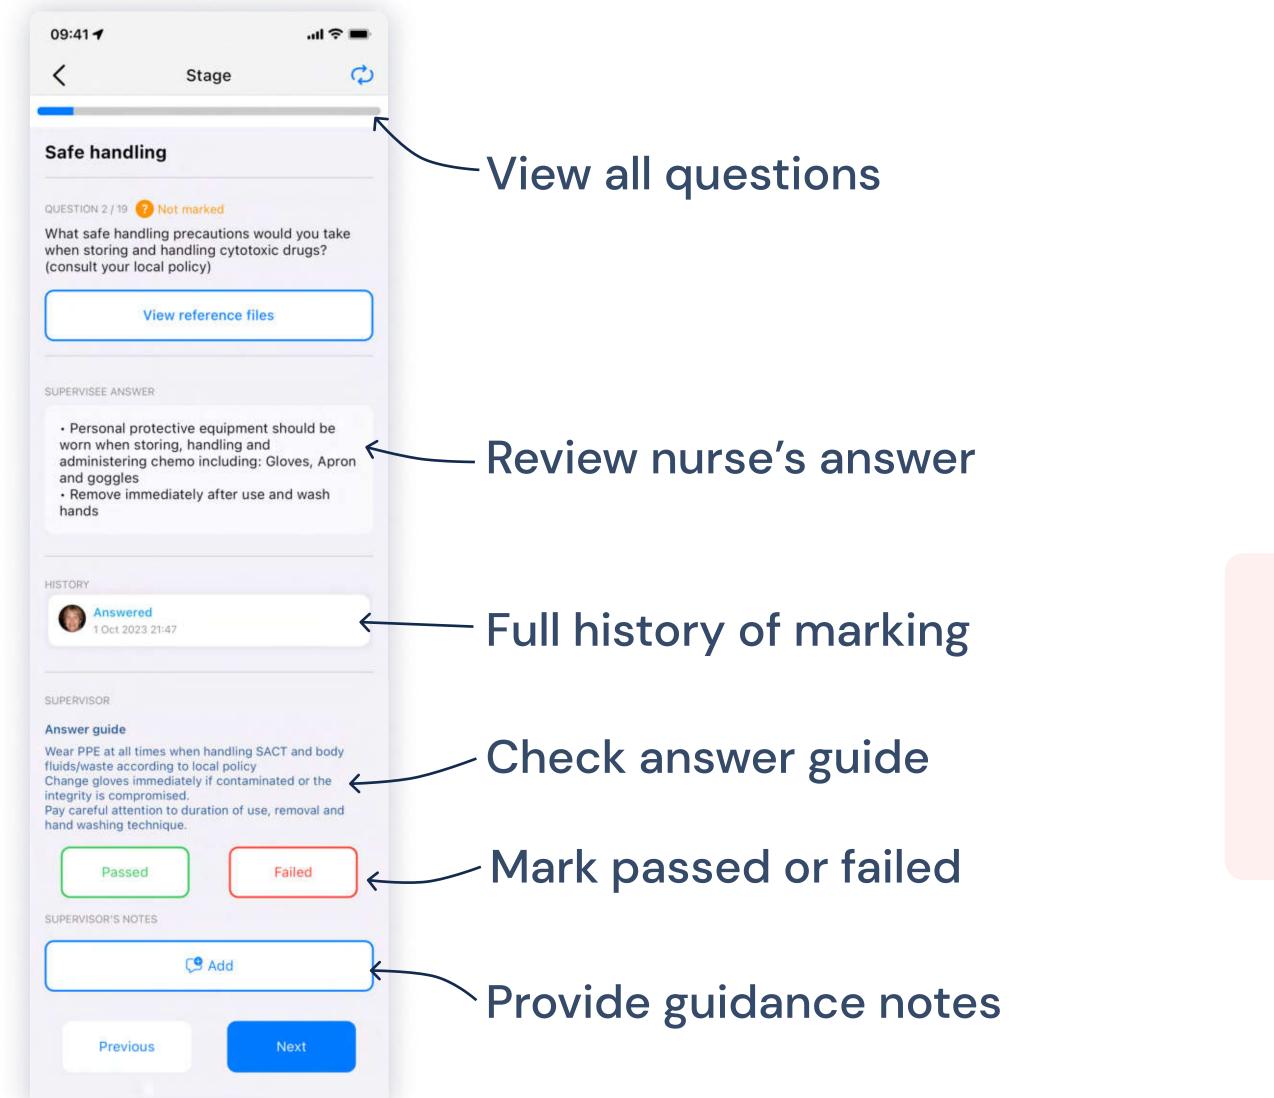

Written MCQ

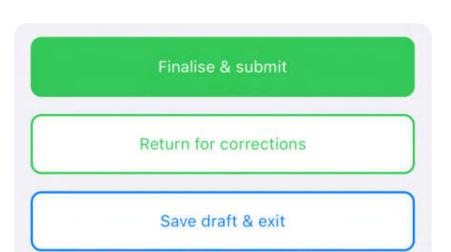

Submit for marking

Save draft & exit

Nurse can save or submit answers for marking; they do not have to complete all the answers

#### 2. Assessor then marks their answers

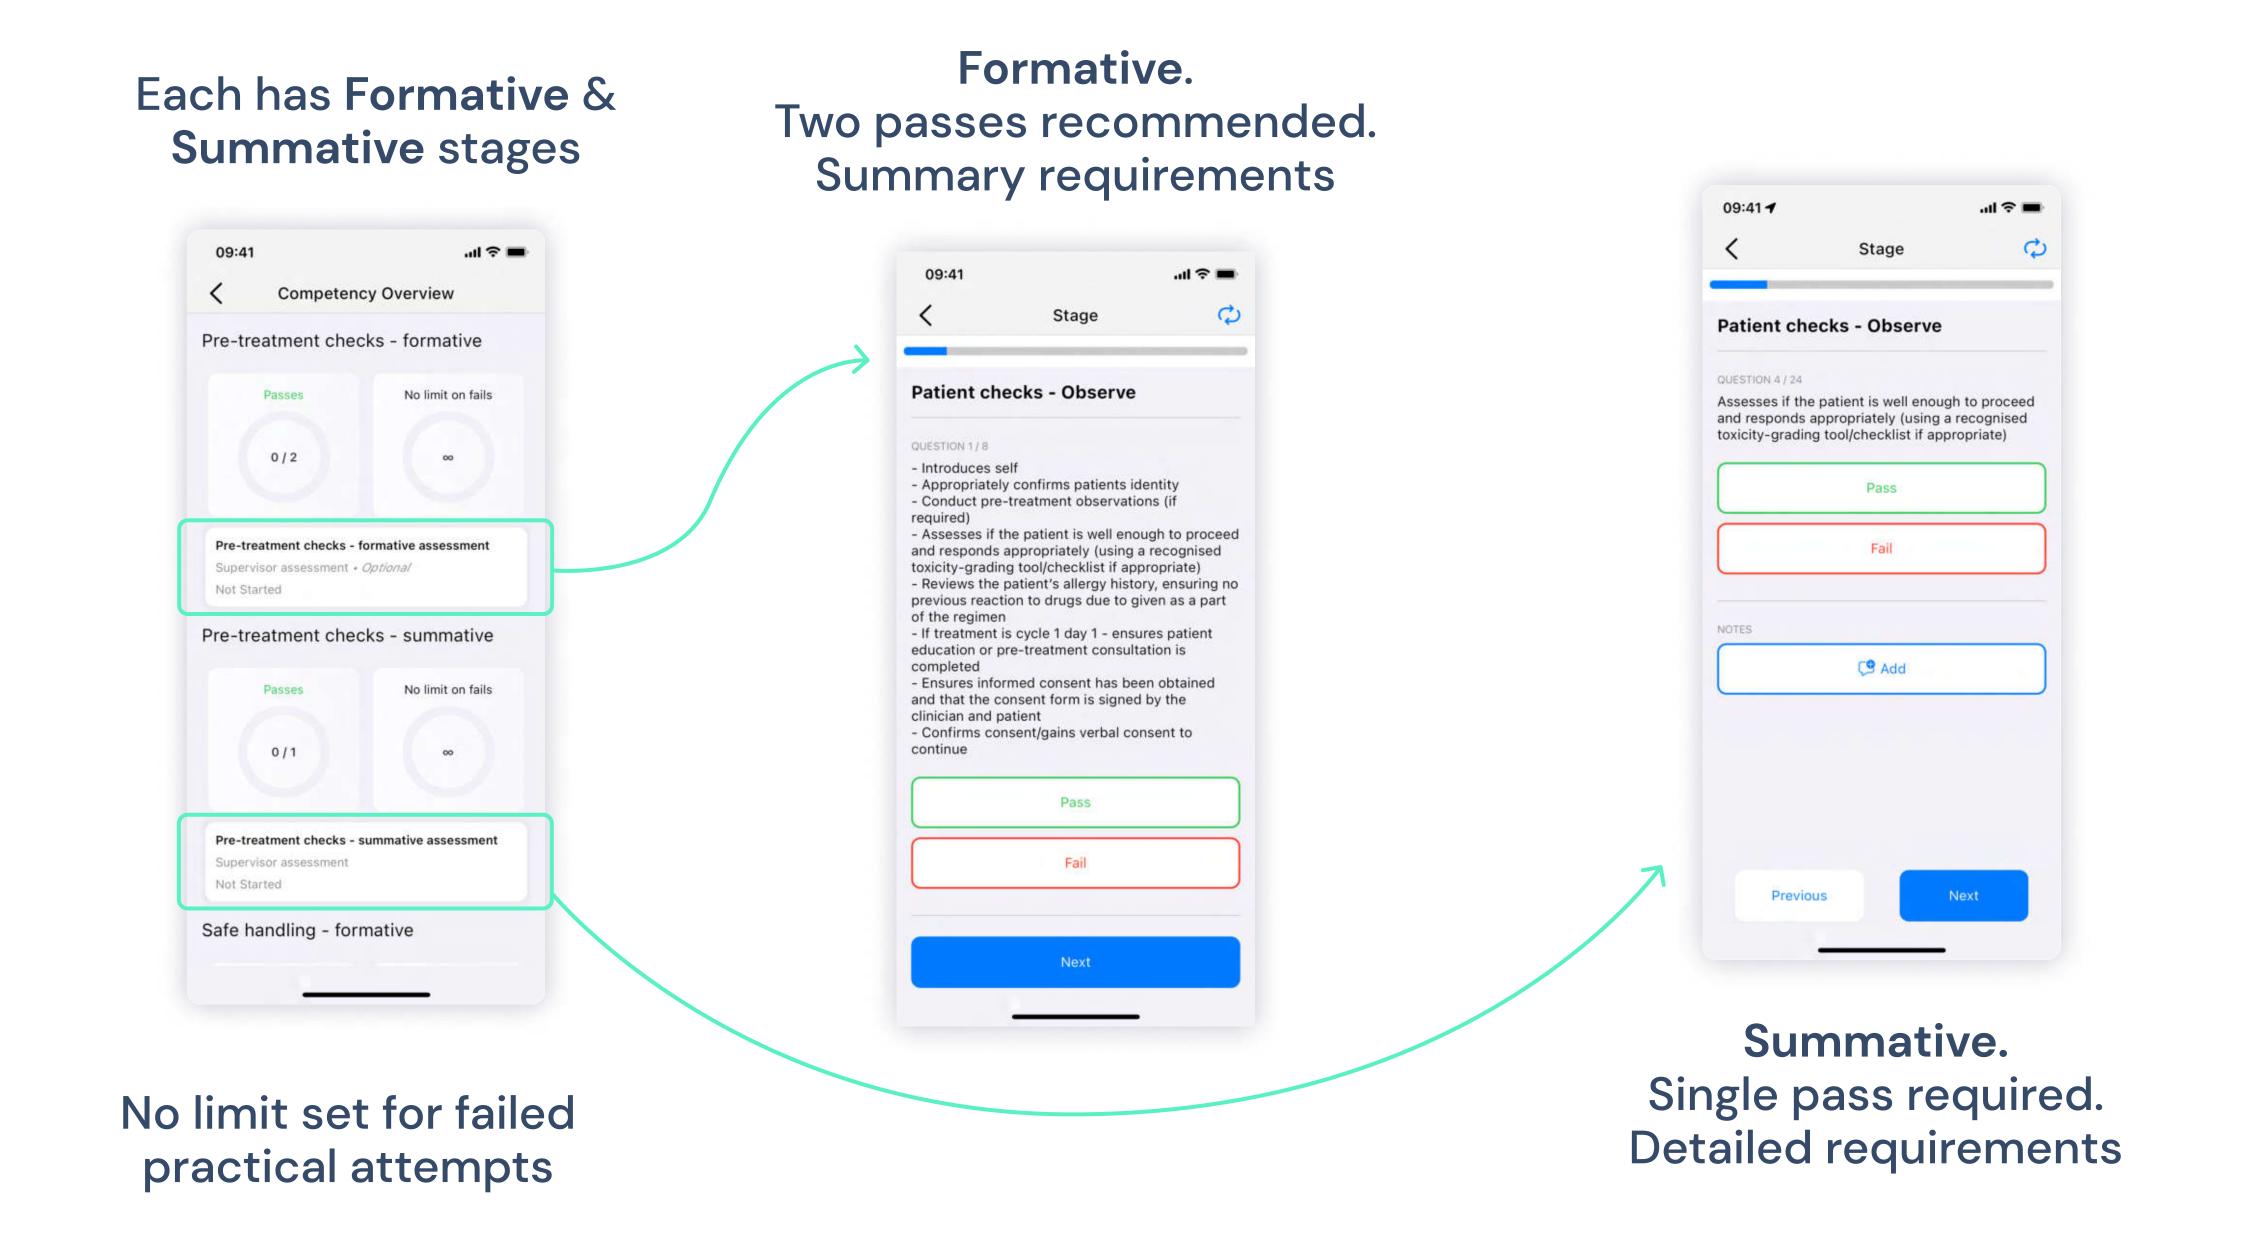

Marker can return to nurse for corrections or finalise & submit

Important: if you choose to "Finalise & submit" with any failed questions, the nurse will fail this whole competency, and need to start again

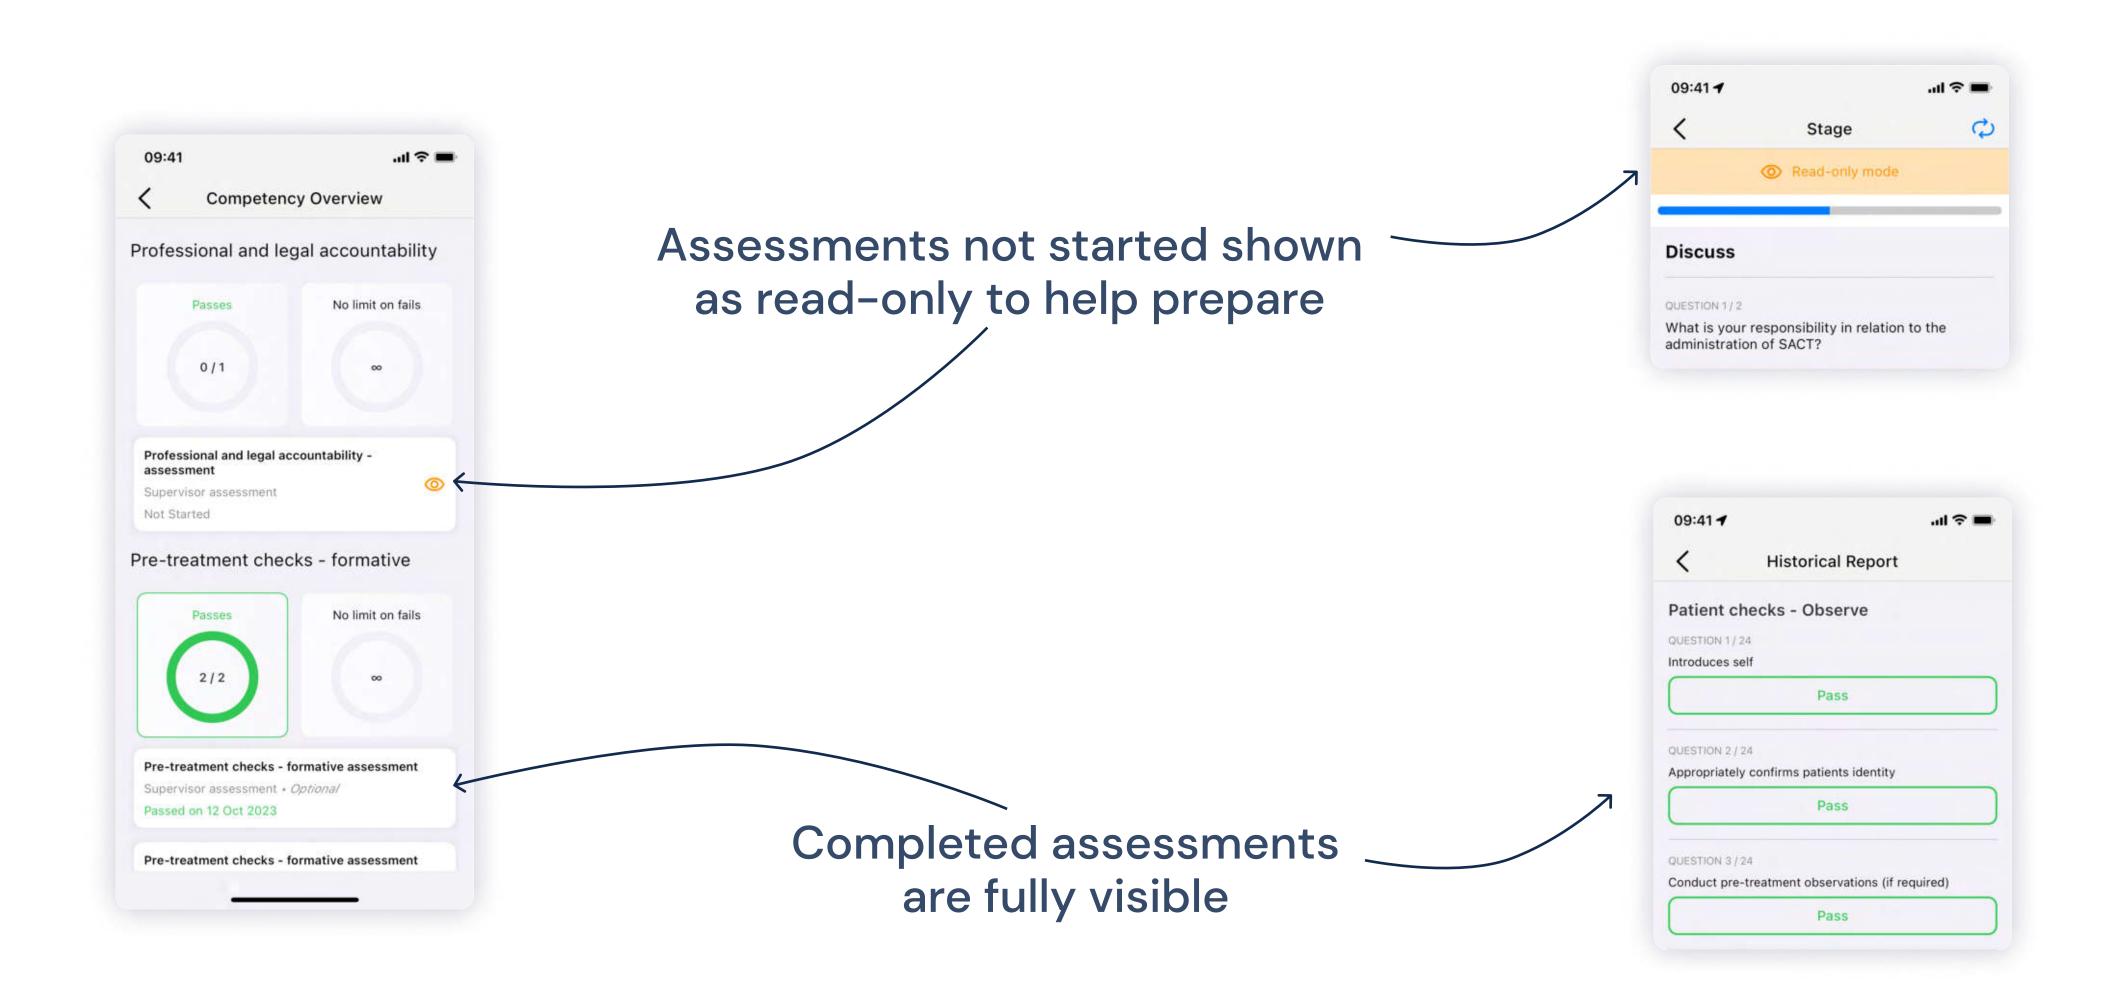

If you want them to continue work on the failed questions, then choose "Return for corrections"

# Completing the practical sections

## Only completed by the assessor

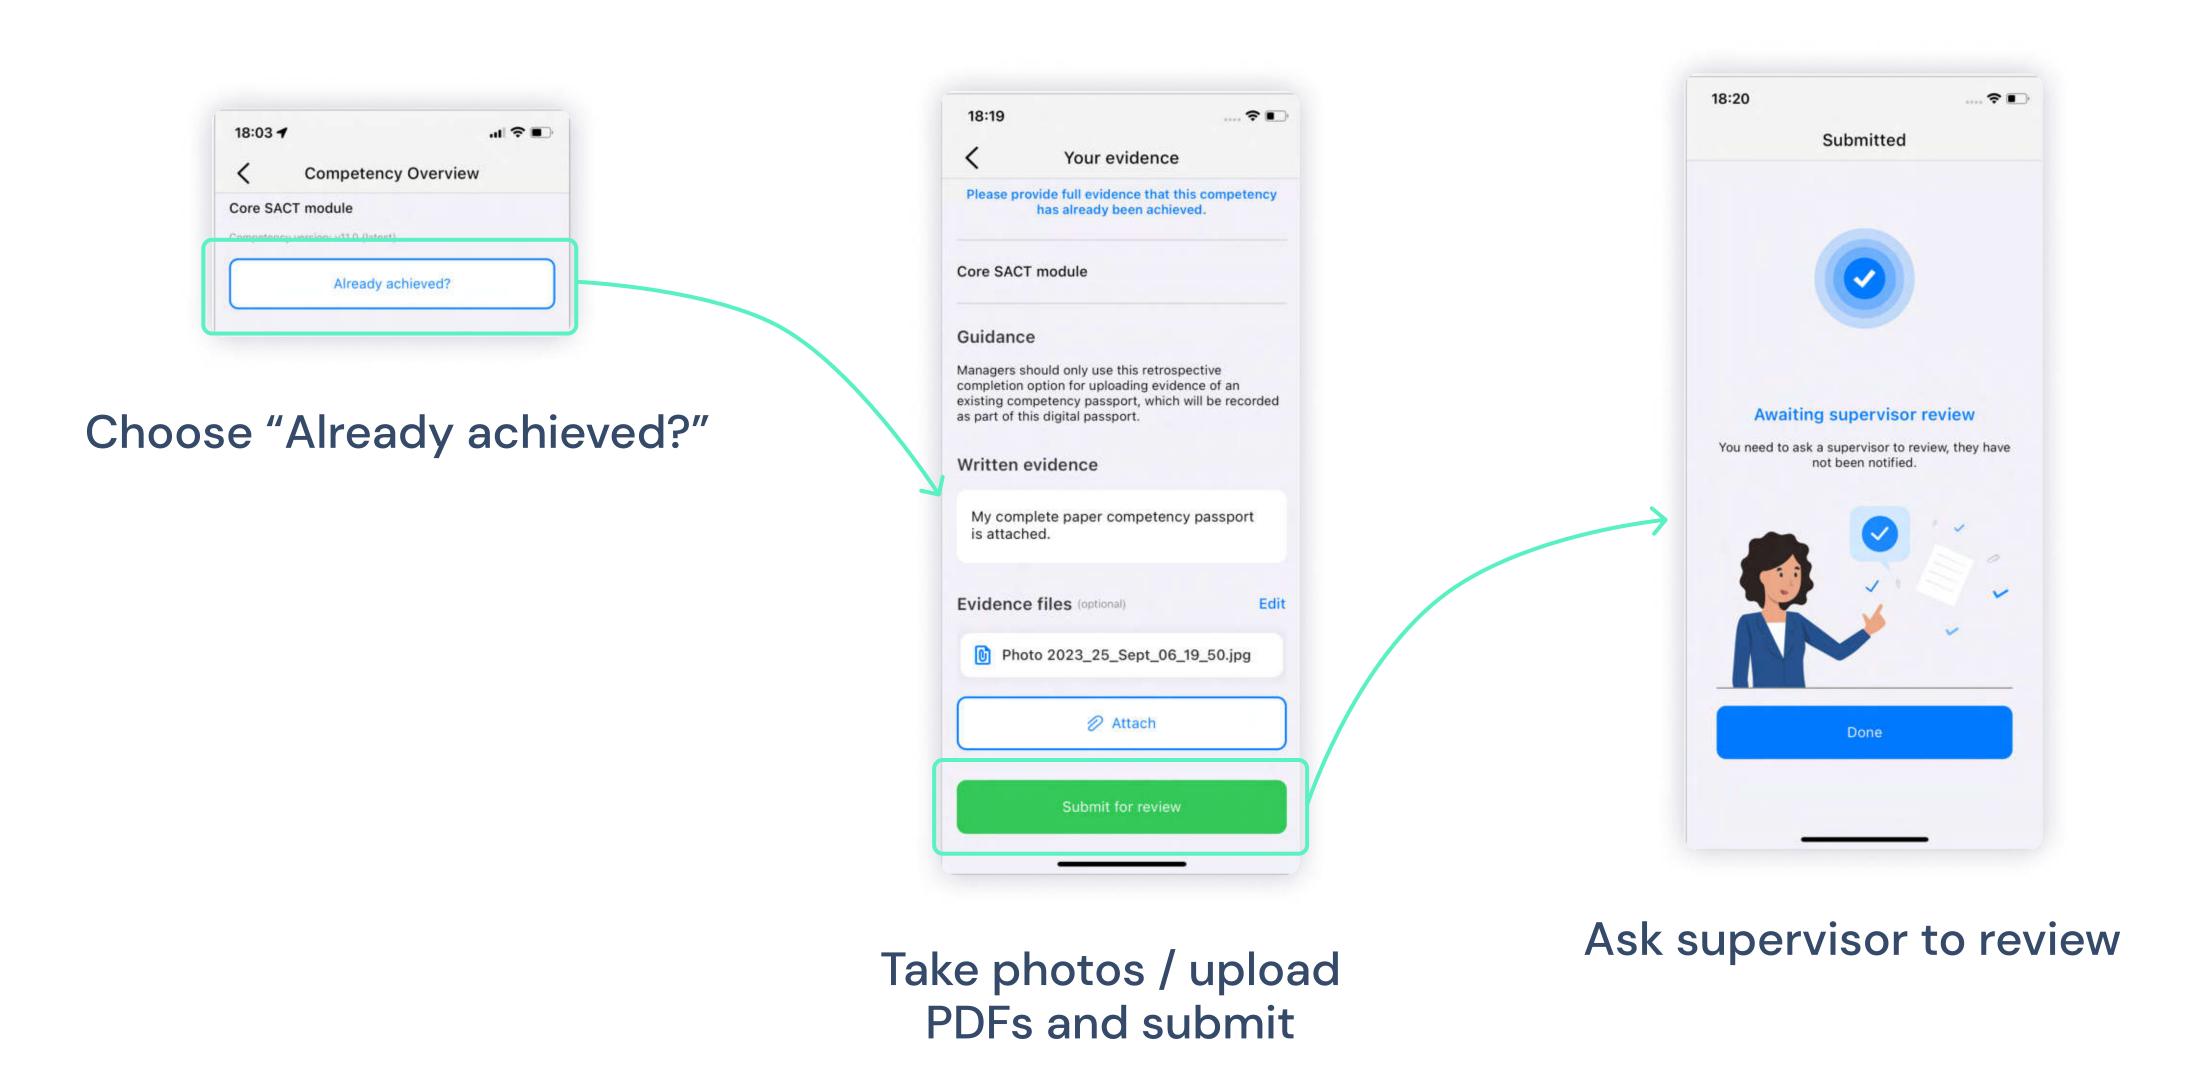

## Nurse has view-only access to practical

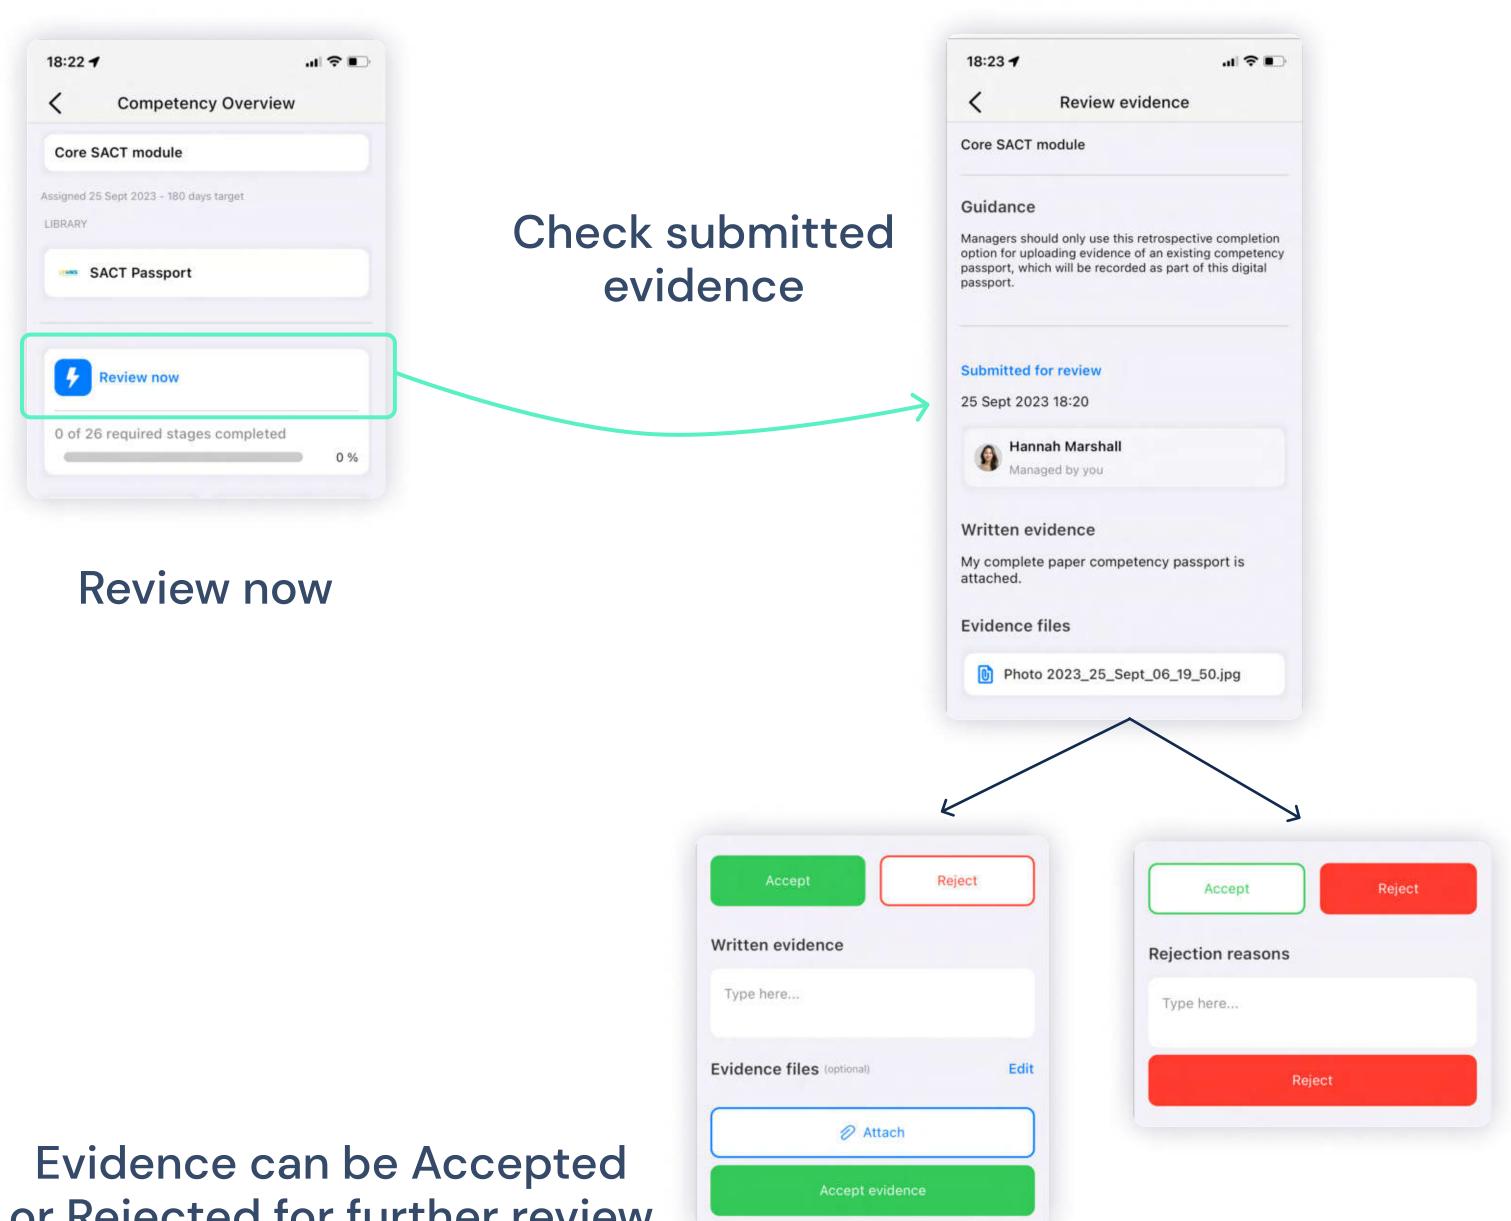

# Retrospectively signing off competencies

If the competency is already completed (on paper or PDF), then that evidence can be used to retrospectively sign off the competency in Compassly

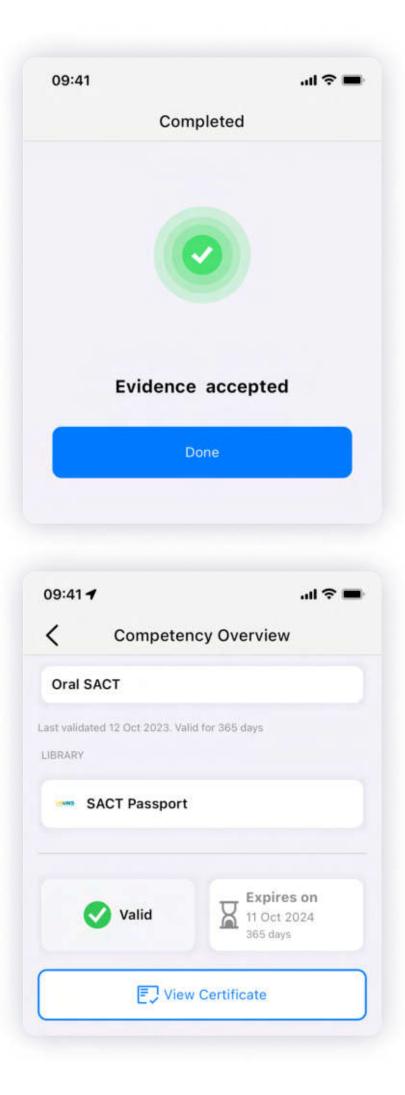

#### 1. Nurse submits evidence

#### 2. Assessor reviews evidence

Once evidence is accepted, whole competency is marked as valid

or Rejected for further review

## Further help and support

This guide is designed to give assessors and managers a brief overview of how the digital passport works – it isn't meant to cover all aspects of using Compassly.

The app is also regularly updated with new features, so this paper guide will get out-of-date.
